

Zed Bar has always held both employees and customers health and safety to the highest standard and now more than ever we can guarantee you a safe experience when sharing your day or evening with us.

Zed Bar commits to maintaining compliance with the Government restrictions for venues across NSW. These restrictions allow a maximum of 10 persons per table, 1 customer per 4 square meters and a dedicated Safety Hygiene Marshall will be implemented throughout peak trading times to ensure physical distancing, cleaning & hygiene are maintained throughout the venue at all times. All persons entering Zed Bar will be asked to scan our Contact Tracing QRCode for contact tracing purposes. This information will be stored securely for 28 days as per Government requirements.

We have changed the way we do things!

- All tables within the venue have been distanced 1.5m apart, to allow all customers the security in knowing they are safe when dining at Zed Bar.
- Social Distancing must be maintained throughout the venue. Please do not form queue at service areas and maintain a safe distance of 1.5m between yourself and others. To help, you will find markers located at entry and service points of the venue which will indicate the correct distance of 1.5m.
- All self service aspects of the venue have been removed. All cutlery will be taken to your table by a friendly Zed Bar Employee.
- Increased all cleaning and hygiene regimes
- All employees are screened prior to commencement of work and temperatures are checked.
- Hand sanitiser is available at the entry point of the venue and throughout the venue.
- All ordering can now be done at your table by simply scanning the QRCode located at the table.
- If however you are more comfortable in ordering at the bar, we urge you all to use a contactless payment option.
